The Sabin PTA's mission is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children. The Sabin PTA welcomes anyone who wants to be involved and make a difference in the education, health, and welfare of our children. We serve as a supportive resource for ideas and initiatives that align with our mission and values; we strive to provide Sabin community members with information, funding, volunteer resources, logistical support and communication tools to implement their ideas. We also work to keep our community members informed, involved and invested in school activities and other efforts to advocate for our children.
