This is a simple fundraising program: Clip box tops from products that have the Box Tops for Education logo, bring them to school at any time during the year, drop them in the blue Box Top Box near the elevator on the 2nd floor or in the PTA mailbox, or, (new this year!) download the app on your phone and follow the instructions there to submit them even faster. Each Box Top is worth 10 cents for our school.

Adopted by over 45 states in the U.S., the Common Core State Standards are a set of shared K-12 learning expectations for students in English-language arts and mathematics. Portland Public Schools began phasing in the Common Core State Standards in 2011-12, providing professional development to teachers and aligning core curriculum.

### Conferences

Fall parent/teacher conferences are an opportunity to meet your child's teacher, see your child's classroom and learn about how your child is doing. It's also a time to ask questions or talk about any learning-related concerns. Creating a partnership with your child's teacher around your child's learning can make a big difference. For parent/teacher conference tips, visit <http://www.pps.net/Page/961>. Conferences are slated for November 25 and November 26.

## Emergency Preparedness

The Emergency Preparedness Committee is a group of parents working to help prepare Sabin families and the school to respond to and recover from a disaster such as an earthquake. Portland is located in an active earthquake region. Experts predict that the region will experience a large scale quake within our lifetimes. ## Equity Group

The Sabin Family Equity group is committed to bringing equitable practices to all aspects of the Sabin community, and making Sabin a school that is inclusive of all students and families. The group invites community members to discuss: current issues and practices at the school around efforts to close the achievement gap, and some upcoming educational opportunities for community members. For more information contact Meghan Whitaker at: [megsmaddock@gmail.com](mailto:megsmaddock@gmail.com).

The Fund for PPS manages the Portland Public School Equity Fund, whereby one-third of the funds raised through the Sabin Foundation (above an initial \$10,000 threshold) go to the Fund for PPS. For example, if the Sabin School Foundation raised \$22,000, \$4,000 would go into the Fund for PPS and \$8,000 would go to the Sabin School Foundation. This equity fund is distributed among schools that are less able to raise money and helps close the achievement gap. For more information see: <https://fundforpps.org/>.

Unclaimed items are donated to the Portland Council PTA Clothing Center. Parents, please label your child's belongings and check the lost and found area on a regular basis.

## Mt. Readmore

Mt. Readmore is the Sabin celebration of literacy. Each January students and loved ones gather for a basecamp dinner with storytellers, librarians and reading games throughout the school. For the next two weeks students find sponsors, track their time, dress as favorite characters, and read, read, read. The ascent of Mt. Readmore helps raise money to support literacy, the library, and culturally relevant reading choices. The climb begins Friday, January 23, 2020, and ends Thursday, February 12, 2020. The end date corresponds with the launch of the Oregon Battle of the Books competition. For questions contact [sabinptapresident@gmail.com](mailto:sabinptapresident@gmail.com).

Restorative justice empowers students to resolve conflicts on their own and in small groups. Inclusion, bringing affected parties together, making amends, and reintegrating students into the classroom community are common pillars of Restorative Justice. Sabin teachers and staff have been trained in RJ practices and use them with students when applicable.
